## Mateer And Vandermast Will Consolidate

### FOUR KILLED AND 20 HURT WHEN SCAFFOLD COLLAPSES

#### DRUGGIST TO DISCONTINUE HIS BUSINESS

Two Pioneer Merchants of Santa Ana Will Engage In Men's Furnishings  
**PLAN LARGE STORE**  
Present Site of Drug Firm To Be Remodelled and Opened Within 90 Days

ONE OF THE best stocked, best equipped and best located men's furnishings goods stores in Santa Ana was visioned today with announcement that Vandermast and Son, clothing at 110 East Fourth street, and E. T. Mateer, druggist on the southeast corner of Broadway and Fourth streets, had perfected arrangements by which the two organizations will consolidate their interests in a clothing store on the Broadway and Fourth corner.

Institution of the new enterprise will be made within the next 30 to 60 days—depending on the time it will take each firm to dispose of present stocks and the time that will be required to install new equipment and a complete new stock of clothing in the quarters now occupied by the Mateer drug store.

The new business will be operated under the name of Vandermast, Inc., with Mateer, Walter Vandermast and Carl Stein as the owners. Stein will manage the enterprise, but Vandermast and Mateer will give personal attention to the business.

Vandermast has been operating here for 25 years and Mateer has been doing business in the city for 18 years, and both have made enviable reputations for their respective business enterprises.

#### ROTARY DELEGATES PLAY GOLF TODAY

LOS ANGELES, April 20. —(UP)—Some 4000 Rotarians tempered their annual convention here with a golf tournament today.

Having nominated Harvey Lyon, of Oakland, to succeed Herbert Harris, of Whittier, as chief executive of the second district, Rotary International, and successfully stepped an impending controversy over division of the district, the delegates prepared to enjoy themselves during the closing day of the convalescence.

Lyon's nomination must await the approval of the national conference at Dallas, Tex., next month.

His selection was unanimous, however, and national approval is only a matter of formality, it was said.

#### See Resumption Of Gas Fight As Price Takes Drop

With gasoline retailers in Santa Ana today quoting two different prices on gasoline, indications pointed to resumption of the price war recently checked by drastic action of some of the wholesalers.

Some station dealers today were collecting 181-2 cents a gallon, one cent below the regular established price. Others were holding to the 191-2-cent price.

In Los Angeles and at other Southern California points, gasoline is being offered as low as 141-2 cents a gallon.

#### Prince Henry, Ex-Kaiser's Brother, Dies

BERLIN, April 20.—(UP)—Prince Henry, brother of the ex-kaiser, died of pneumonia today. He was 66.

It was understood that Prince Henry for some time had been afflicted with the same malady with which his father, the late Emperor Frederick III was stricken—cancer of the larynx.

Just a year ago Prince Henry, who commanded the Baltic fleet during the World war, celebrated the 50th anniversary of his entry into the navy, in which he held prominent posts throughout his career.

#### ALL FASCIST PARLIAMENT IN ITALY OPENED

King Victor Emanuel Tells Solons Duty to Look to National Defense

ROME, April 20.—(UP)—The failure of numerous disarmament conference have made it the duty of Italy to look after her national defenses, King Victor Emanuel said in his address from the throne opening Italy's 28th parliament today.

The parliament, the first all-Fascist parliament in history, was opened by the king as he stood beneath the new Savoy-Fascist coat of arms, instituted only yesterday.

Brilliant galleries of nobility and wealth looked down on the 400 Fascists who formed the parliament's ideal chamber, a chamber without "opposition." They cheered heartily when the king and queen entered, and gave long applause to Premier Benito Mussolini, who realized today another step in the development of the Fascist state.

Mussolini, members of the government, nine deputies and nine senators received the king and queen at the entrance to the chamber and followed them to their places. Mussolini was dressed in a cocked hat, sword and decorated coat, the uniform of an Italian premier.

The diplomats accredited to Rome stood in a special tribunal, wearing formal dress or uniforms, with their decorations sparkling on their breasts. They came to attention as the king and queen passed down the aisle between two lines of royal cuirassiers.

When the king was seated, he and the queen exchanged bows, and Mussolini arose to administer the oath to the all-Fascist chamber. The chamber and the galleries stood and listened silently while the king read the address from the throne. When he had finished Mussolini stepped before the chamber and declared it open in the name of his majesty.

#### SUSPECTED GANG KILLER ARRESTED

LOS ANGELES, April 19.—(UP)—Suspected of connection with the massacre of members of the "Bugs" Moran gang in Chicago February 15, Charles W. Lloyd, 32, was held by police here today awaiting orders from Illinois authorities.

Lloyd was said to have been identified by photographs accompanying a federal warrant implicating him with the recent gang murders.

He was arrested with two companions in his apartment in a residential section of the city and booked on suspicion of murder and Wright act charges.

#### SEBASTIAN FUNERAL

LOS ANGELES, April 20.—(UP)—Funeral services were held here today for Charles E. Sebastian, former mayor and chief of police of Los Angeles. He died Wednesday night after he was removed to the Hollywood hospital suffering from pneumonia.

#### BILLY SUNDAY PLANS TALKIE SCREEN FILM

Entire Revival to Be Made And Will Be Sent to All Parts World

NEW YORK, April 20.—(UP)—Billy Sunday is going into the "talkies" in the hope that long after he is dead sinners at the ends of the earth will go thronging down the sawdust trail.

The husky, compelling voice of the baseball player who turned evangelist will be "canned" in perpetuity in a series of sermons, the first of which will be his famous tirade against liquor and the "brewers' big, black horses."

All the trimmings that go with a Billy Sunday are to be filmed. Homer De Heaver will lead the singing, will be seen waving his silver cornet and asking everyone to come in strong on the chorus of "Brighten the Corner Where You Are."

Tentative plans call for the staging of a regular revival series.

#### AIR LINE TO OPEN SERVICE IN JULY

NEW YORK, April 20.—(UP)—The Transcontinental Air Transport's 48-hour service to California cities will be inaugurated early in July, it was understood today after a meeting of company officials, including Col. Charles A. Lindbergh.

The service will be from New York to San Francisco and Los Angeles. Tri-motored Ford planes probably will be used, mail and passengers being carried.

Lindbergh is chairman of the company's technical committee.

#### 64 SCHOLARSHIPS GIVEN BY COLUMBIA

NEW YORK, April 20.—(UP)—Seventeen states, Canada and several foreign countries were represented in the 64 awards of scholarships and fellowships at Columbia university.

The awards, for 1929-30, have a value of approximately \$70,000. Those named included:

Jeffrey Hobart Bartless, Burley, Ida., university fellowship in chemistry.

Charles A. Bliss, Napa, Calif., university fellowship in business statistics.

Frederick Alvin Rohman, Pendleton, Ore., Brigham fellowship in chemical engineering.

#### \$3,250,000 Paid For 12-Story L. A. Office Structure

LOS ANGELES, April 19.—(UP)—Three and a quarter million dollars was the purchase price of the Pershing Square building, a 12-story office building in downtown Los Angeles, it was learned today.

Harrison Securities company, San Francisco, is the buyer of the building. Four pieces of San Francisco property, Crestview apartments, 1895 Jackson; Inverness apartments, Bush and Van Ness; French building, Polk and O'Farrell, and a seven-story apartment house on Gough street, were given as part payment.

The lot, held on a 99-year lease, was not affected by the deal.

#### MRS. SIELAFF'S STORY DENIED BY ATTORNEY

Roland Rich Wooley Refutes Testimony He Hired Famed "Miss X"

SACRAMENTO, April 20.—(UP)—A complete denial of Mrs. Lorraine Wiseman-Sielaff's charges that she was hired by Roland Rich Wooley, farmer attorney and land rich, to produce a "Miss X" to pose as Kenneth G. Ormiston's companion at Carmel-by-the-Sea was on record in the impeachment trial of Judge Carlos S. Hardy today.

The denial was made by Wooley, called as a defense witness to refute the charges of Mrs. Sielaff, a state witness, that she arranged with Wooley and Judge Hardy to produce an alibi for the evangelist's mysterious disappearance three years ago.

Wooley testified he never had seen Mrs. Sielaff until August 15, 1926, when they were brought together in the office of Judge J. A. Bardin at Salinas, where "Miss X" made the affidavit which was used to support Mrs. McPherson's claim that

#### MYSTERY AIRPLANE SEEN BY TRAWLER

LONDON, April 20. — (UP)—Aviation circles here were puzzled over a message received at 3:30 a. m. today from the British fishing trawler Shackleton, reporting it sighted an airplane passing overhead midway between Ireland and Iceland.

The trawler which gave its position as 58:10 north, 14:10 west, sent the following message:

"Airplane bound east passed here this morning at 5 o'clock." The message was picked up by the Mallow radio station.

Aviation officials here said they did not know of any plane in the vicinity the Shackleton reported.

#### High Returns To Be Received For Deciduous Fruits

SACRAMENTO, April 20.—(UP)—Despite the recent frosts, California deciduous fruit growers should be able to market their crops to equal or slightly exceed the value of the 1928 crop, Gov. C. C. Young declared in a statement made public today following a conference with the executive committee of the California Farm Bureau federation.

"This will be brought about," the governor said, "through higher prices of the remaining tonnage due to the lessened value to be marketed."

"While the detailed prices at which the products will be sold cannot at this time be determined, the outlook for prices leads to the general conclusion that the state as a whole will not have its financial structure impaired by the recent frosts."

#### Steel Girders Deal Death To Brick Layers

More Injured May Be Found Under Wreckage of Big N. Y. Skyscraper

NEW YORK, April 20.—(UP)—Four men were killed and 20 injured today when scaffolding collapsed on the fourteenth floor of the Western Union building under construction at Thomas street, west of Broadway.

The dead are: Salvatore Cordone; Otto Rowning; Samuel Jones, and A. Cario.

The scaffolding on the fourteenth floor struck another scaffold on the ninth floor, carrying several workmen down with it. In turn, the timbers from the two scaffolds struck a platform that jutted out just above the ground floor on which still more men were working. Police said more injured persons might be found under the wreckage.

Most of those killed and injured were stone masons at work on a bridge at the second floor level through which two scaffolds and steel girders hurried in their deadly descent.

The cause for the accident, which was one of the most serious in construction work in New York in recent years, seemed uncertain. Some declared the boom of a derrick, carrying a heavy load of iron girders to the nineteenth floor, fell against a bricklayers' scaffold at the fourteenth floor, knocking the scaffold loose from its moorings.

#### \$65,000 WORTH OF GEMS LEFT IN CAR

NEW YORK, April 20.—(UP)—William A. Clark, of Los Angeles, asked the aid of police today in searching for his wife's jewels, valued at \$65,000, which he believes he left in a taxicab last night.

Clark, grandson of the late senator from Montana, rode from the Cunard line pier to the Savoy-Plaza hotel last night after he and Mrs. Clark landed from a voyage from Paris. Clark was looking after Mrs. Clark's dog and was planning to take it out of the hotel for a walk last night when his wife asked him about the gems.

It was learned that no one had seen them since the Clarks arrived at the hotel from the pier.

#### RIVER DELEGATES CONTINUE SESSIONS

YUMA, Ariz., April 20.—(UP)—The Arizona and California Colorado river commissions went into their second day's session today in an attempt to settle the differences between the two states over Boulder dam.

Although the meetings were secret, observers were hopeful of an early adjustment.

While in Yuma the six commissioners plan to visit Laguna dam and a large cotton project across the line in Mexico.

#### GRIMES FRAME-UP JURY STILL OUT

LOS ANGELES, April 20.—(UP)—The jury holding the fate of six persons accused of "framing" City Councilman Carl I. Jacobson's arrest on a morals count had not reached a verdict this noon after having considered the evidence shortly before noon Tuesday. It was rumored, but not confirmed officially, that the jury would be discharged in event it did not bring in a decision by night-fall.

#### 'But Dumb' Remark Causes Suit

NEW YORK, April 20. — (UP)—Miss Dorothy Knapp long has been accustomed to being called "beautiful," but when Mrs. Frederic Penfield, wealthy theatrical "angel" for Earl Carroll, producer, went somewhat further and implied the words "but dumb," it went against the grain.

So much so that Miss Knapp's attorneys announced today they needed \$250,000 of Mrs. Penfield's money to save their client's feelings and that suit for this sum had been filed in New York county supreme court.

#### STATE TAX ON TOBACCO MADE IN NEW BILL

Measure Introduced Today In Senate—Funds Go to Forest Service

SACRAMENTO, April 20.—(UP)—Wholesale and retail tobacco dealers of California may soon be required to pay a state tax on their materials if a bill introduced in the state senate becomes a law.

Designed as a measure to increase the state's forest fire prevention fund, the bill would compel state licensing of all tobacco dealers in the state.

The measure prescribes a state excise or privilege tax equivalent to 20 per cent of the tax which manufacturers are required to pay to the federal government on cigars and cigarettes.

On smoking tobacco a tax equal to 25 per cent of the federal tax would be placed.

The taxes would be paid by dealers through purchase of stamps from the state board of equalization, the stamps to be labeled on all smoking material containers sold to the consumer.

Tobacco wholesale dealers also would be required to secure a state permit with an annual fee of \$25 for each place of business. Retailers would be compelled to pay a \$10 annual fee, with a proviso for a \$5 fee in the case of retailers whose gross sales during the preceding year did not exceed \$500.

Penalties for violators of the proposed act prescribe a fine of from \$10 to \$25 for possession of cigars and cigarettes unlawfully sold.

Senator Edgar S. Hurley, sponsor of the bill, said he was not completely satisfied with the present form of the bill but that he planned to propose amendments rearranging the rates considerably before urging its adoption.

#### L. A. GRAND JURY SWORN IN OFFICE

LOS ANGELES, April 20.—(UP)—Nineteen citizens will serve on the 1929 Los Angeles county grand jury, impaneled and sworn into office yesterday.

Judge W. C. Doran named Ellwood Degarmo, president of an oil company, foreman.

The jurors included Brewster C. Kenyon, Long Beach; J. H. Henry and Hector J. Holmes, Pasadena; A. J. Mellench, Monrovia; George Cross, Puente, and Lawrence Arnold, Puente.

#### SANDY GRISWOLD DIES

OMAHA, Neb., April 20.—(UP)—Samuel G. (Sandy) Griswold, 80, for 20 years sporting editor of the Omaha World-Herald and numbered among the deans of American sport writers, died here today after a lingering illness. Death was due to a heart attack he suffered last February 1, when he was forced to leave his desk.

#### PEACE MOVE IS MADE BY PRESIDENT

Leader of National Organization at White House For Conference Today

REPORTS WITHHELD

Further Action in Fight to Relieve Farmer Put Off Until First of Week

WASHINGTON, April 20. — (UP)—President Hoover followed up a public appeal for peace among the farm organizations with a direct effort today to swing into line the national grange organization which has been promoting the disputed debenture plan of relief.

Louis J. Taber, master of the grange, was called to the White House today and later was invited into conference with Secretary of Agriculture Hyde.

As a result of these conferences, the United Press is reliably informed, Taber has wired various grange councils throughout the country asking their advice as to whether he should ease up pressure for the debenture scheme and fall in line with the president.

Pending Taber's decision, the president has withheld the three reports of his cabinet members, Hyde, Secretary of Commerce Lamont and Secretary of Treasury Mellon attacking the economic feasibility of the plan which would seem to give the farmers a bounty on commodities for export equal to half the tariff rate on the same products imported. These reports were enroute to the senate agriculture committee when they were stopped. They may not be sent at all if Taber agrees to come in on the president's harmony program.

The grange has been the sole promoter of the plan. The American farm bureau federation, which sponsored the equalization fee, has been passively opposed to the debenture but has not openly fought it. In a public statement issued yesterday in answer to questions, Mr. Hoover deplored the differences among farm organizations. He did not mention the debenture plan.

On the face of late developments, the debenture plan appears doomed with the only differences being over the method of killing it regardless of what Taber does.

#### 13 Henchmen Freed By Jurors

CHICAGO, April 20.—(UP)—Thirteen henchmen of City Collector Morris Eller, "boss" of the "bloody 20th" ward, were acquitted today by a jury of charges of kidnapping and assault with intent to murder during the April primaries of 1928.

The jury returned its verdict at 1 a. m., after deliberating for approximately 8 hours.

#### 'THANK YOU' EDITOR REGISTER:

Allow us to thank you on your very interesting editorial which appeared in the Santa Ana Register of April 12, under the heading "Court-easy in Business."

As every effort is being made by our Company to instill courtesy into all branches of our business, we feel that such an editorial will also impress and help educate the public to realize that courtesy on their part too, will go far toward creating better results in the business world.

It is gratifying to feel that you realize and appreciate our work and efforts to bring about this condition and we take this means of thanking you for your generous cooperation.

Yours very truly,  
EARL S. MORROW,  
District Manager.

## ENGINEERS ARE TOLD VALUE OF CHLORINATION

Chlorination of sewage will completely eliminate all odors, R. F. Goudey, sanitary engineer for the state health board in the Los Angeles district, told engineers of the county last night at a meeting of the Orange County Engineers' club, in the Santa Ana cafe.

Pointing out that experiments had definitely determined this point and emphasizing the fact that such treatment also stops the formation of sulphuric acid, which destroys pipe lines, the engineer said that investigation had disclosed that \$5000 a year would cover the cost of chlorination of sewage in pipe lines of the value of \$1,000,000. In other words, expenditure of \$5000 a year would prevent rapid deterioration of lines worth \$1,000,000 and at the same time stop all objectionable odors.

Santa Ana is believed to be the only community in the group of communities interested in the joint outfall sewer that has not already agreed to installation of chlorinators, it was intimated.

Maurice Phillips entertained the group with vocal selections, being accompanied by Mrs. Pearl Livesey.

## PIONEER FIRMS OF SANTA ANA TO CONSOLIDATE

(Continued from Page 1)

Walter Vandermaast and Mateer have been close friends for many years and the deal that has just been completed is said to have been the direct result of the close personal friendship and "conversations" that have been had on golf courses and during summer trips the two men have taken in past years.

Pride and faith the two men have in Santa Ana may be said to be factors that determined them in their decision to consolidate their interests.

Recently each has had attractive offers from chain store organizations—offers that, from a financial standpoint, were very attractive. Rather than pass their enterprises to chain stores, which, in effect, would eliminate them from the business life of this city, the two men concluded to consolidate their interests.

The new store will open with a complete new stock and will carry the brands upon which Vandermaast and Son have built their success.

Space available in the new quarters is approximately three times that in the quarters occupied at present by Vandermaast and will offer opportunity for carrying of larger stocks, it being the intention of the new organization to utilize the basement for the conduct of a "basement bargain" department.

"I have long had a desire to engage in the clothing business and the consolidation offers me the opportunity for gratifying that desire," Mateer said today, in commenting on the merging of the interests of two old-time firms.

"Mateer and I believe in the future of this city and it will be our endeavor to keep our enterprise abreast of the times and to give our personal attention and time to civic affairs that will tend to advance the community as a whole," Vandermaast said.

Announcement that Stein would become a member of the firm and that he would be advanced to manager of the larger enterprise reflects the appreciation Vandermaast and his colleagues have for Stein. Stein has been with Vandermaast for three years and his promotion is in recognition of the valuable service he has rendered, it was said.

she was not Ormiston's companion in the Carmel cottage.

He denied Mrs. Sella's charge that he had given her expense money to produce "Miss X" in Los Angeles prior to their meeting in Salinas. He also denied he had known Mrs. Sella during their childhood days in Salt Lake City, where she testified they attended school together.

Wooley said that he and Judge Bardin had gone to the judge's office in response to a request from Mrs. Sella who told them that it was her sister who occupied the Carmel cottage with Ormiston.

The witness said he and Judge Bardin demanded that Mrs. Sella produce the sister, whereupon she went to a Salinas hotel and returned with Mrs. Viria Kimball.

After warning the women of the danger of making false statements, Wooley said the affidavits were signed, one by Mrs. Sella and one by "Miss X."

Death united Mrs. Lewis Caton, of the Waldorf hotel, San Diego, and her sister, Mrs. Virginia Clay Gore, who committed suicide in San Clemente Thursday.

Mrs. Caton had lost trace of her sister and did not know that she had come west from her home in Muskogee, Okla., until she read in a San Diego paper Thursday of the tragedy.

Mrs. Caton came to San Clemente yesterday and made arrangements to take the body back to Oklahoma for burial.

Mrs. Gore, a bride of five weeks, was married to Bob Gore, tract manager at San Clemente. She fired a bullet into her breast after writing "Good-bye, Bob," on the back of her husband's picture.

vice, probably in Los Angeles at the educational studios. Work on the production is expected to start within six weeks.

It is planned to take the film to India, Australia and all other foreign countries where English is spoken. Among the possibilities are that Sunday's talkie may be used to supplement missionary work, especially in India.

The film would run the length of a regular evangelist meeting, it was said, with a choir and a band working in co-operation with Sunday.

Among the men interested in the project, the United Press learned exclusively, are Earl W. Hammons, president of the Educational Film exchanges, Inc.; Joseph Skirball, for several years European representative of First National Pictures; Robert Savini, Atlanta Motion Picture man and J. D. Williams, vice president of World Wide Pictures, Inc.

One hundred and fifty women were present. An announcement of a musical-tea at the home of Mrs. H. A. Johnson on South Los Angeles street was made. The at-

## GARDEN GROVE

Luncheon

The second grade mothers and teachers were hostesses at the P. T. A. luncheon served at the Washington school Thursday.

The second grade children entertained with a health play and toothbrush song.

The afternoon meeting opened with the singing of P. T. A. songs. The Warblers, a trio composed of Miss Lois Wheeler, Miss Betty Toland and Miss Edna Bumgartner, accompanied at the piano by Miss Betty Lemon presented two songs, "To a Wild Rose" and "The Brown Bird Singing."

The Washington school harmonica band gave an interesting group of "Old Time Melodies."

Mrs. L. L. Trickey led in an instructive and interesting discussion of "Child Problems."

Plans for Fathers' night which will be observed May 2nd were discussed. The first grade mothers and teachers will be hostesses for that evening. A 6 o'clock pot luck supper will be served. There will be an exhibit of art and hand

### A WORD OF COMFORT

You can make no progress in any task which is undertaken in a grudging, hesitating, calculating spirit. There must be an element of abandon, of resoluteness and of trust in the one who works with you if you are to attain success which is worthwhile.

This is true of your life problem. If you attempt to barter with God, if you mistrust Him, or if you proceed half-heartedly, you are bound to blunder and also to be unhappy.

As you gather up the shattered fragments of your life, put your hand in His and let Him guide you into the way of strength and of peace.

FOX—In Santa Ana, April 18, George Fox, 515 E. First St. Announcement of service will be made later by the Winbiger Funeral Home.

COATE—At San Pedro, April 18th, 1929, Mrs. Myra E. Coate, aged 83 years. Funeral services will be held Monday, April 22nd, at 2 p. m., from Smith and Tutthill's chapel, Interment Fairhaven Cemetery. Rev. P. F. Schrock officiating.

## FINAL SERVICES ON MONDAY FOR MRS. COATE, 83

Funeral services will be held in the Smith and Tutthill chapel, at 2 p. m., Monday, for Mrs. Myra E. Coate, 83, who passed away Thursday in the home of her daughter, Mrs. E. H. Marsh, in San Pedro. The Rev. Perry F. Schrock, pastor of the First Congregational church, will officiate.

Col. Nelson M. Holderman, commandant of the soldier's home in Napa, Calif., and one of the heroes of the "Lost Battalion," a son, is here to attend the funeral services. Other children surviving are Mrs. J. C. Lamb, wife of County Tax Collector Lamb, and Upton Grant Holderman, Tuscan; Mrs. W. E. Parker, Omaha, Neb.; Myron C. Holderman, a veteran of the Spanish-American war, San Diego, and Mrs. Marsh.

Mrs. Coate always was actively interested in G. A. R. organizations and it was her pride that two of her sons and her two husbands were veterans. Her first husband was Upton C. Holderman, a veteran of the Civil war, when she married in Iowa City, Ia., on December 25, 1868. Following their marriage, they established a home in Iowa City and resided there until 1873, when they moved to Hastings, Neb. They came to Tuscan in 1892. Mr. Holderman was a member of the Orange county board of supervisors at one time. He died in 1913.

Mrs. Coate was married to Elwood C. Coate, also a veteran of the Civil war, on June 12, 1918, and the couple made their home in Orange until the death of Mr. Coate, on April 22, 1923.

Mrs. Coate was born in Malcoln, Ia., on February 18, 1846, and grew to womanhood in that city. She was educated in the Iowa State university.

## Text of Jones-Stalker Act

An Act to Amend the National Prohibition Act, as Amended and Supplemented.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that wherever a penalty or penalties are prescribed in a criminal prosecution by the National Prohibition Act, as amended and supplemented, for the illegal manufacture, sale, transportation, importation, or exportation of intoxicating liquor, as defined by Section 1, Title II, of the National Prohibition Act, the penalty imposed for each such offense shall be a fine not to exceed \$10,000, or imprisonment not to exceed five years, or both; provided, that it is the intent of Congress that the court, in imposing the sentence hereunder, should discriminate between casual or slight violations and habitual sales of intoxicating liquor, or attempts to commercialize violations of the law.

Sec. 2. This Act shall not repeal nor eliminate any minimum penalty for the first or any subsequent offense now provided by the said National Prohibition Act.

Approved March 2, 1929.

## Local Briefs

The success of the evangelistic services being conducted in the big tent on East Fourth street, has been practically assured in spite of the cold weather, according to the pastor, A. C. Valdez, Evangelist W. R. Steelberg, of Sacramento, has been the featured musician, and speaker for the last 10 days.

A. F. Newcomb, field secretary for the Southern California Anti-Saloon league, will give the latest information concerning the war on intoxicants when he talks in the Chapel of the Christian and Missionary Alliance at 11 o'clock tomorrow morning. His subject will be, "What Next—And Why?"

J. A. Smiley returned today from Sacramento, where he was summoned to attend an important meeting of the executive committee of the California Farm Bureau federation. The conference had to do with the erroneous report that deciduous fruits in the north had suffered \$75,000,000 damage by recent cold snaps. The committee issued a statement asserting that more money would be received from deciduous fruits this year than was returned last year.

Seventy-five citrus growers, who have been co-operating with Farm Advisor Harold Wahlberg in making surveys on costs of producing fruit, will meet at 6:30 p. m., Monday in the dining room of the Anaheim high school, where summaries of the studies will be presented. Interesting conclusions in relation to cultivation and irrigation practices will be presented, Wahlberg stated today.

Jack Fisher chapter No. 23, Disabled Veterans, will hold a dinner meeting at 6:30 p. m., Wednesday, April 24, in the Santa Ana cafe. New members are to be initiated at the meeting and the new officers installed. Quentin Roosevelt chapter, of Los Angeles, will put on the initiation. Other unusual entertainment is scheduled for the program.

## EXPERTS TALK TO ALFALFA GROWERS

Twenty-four Orange county alfalfa growers met yesterday on the Segerstrom ranch, near Greenville, where J. P. Fairbanks, of the extension service of the University of California; J. O. Weimer, of the U. S. department of agriculture, and Assistant Farm Advisor W. M. Cory outlined approved methods of culture and harvesting.

Fairbanks outlined means of keeping mowing machines in shape and called attention to loss of power resulting from improper adjustment.

Weimer told the group that considerable loss had resulted in the northern part of the state and in the middle west from alfalfa wilt, a disease which seems to be correlated with excessive irrigation. It has not been definitely located here, he said. Cory talked on irrigation and time of harvest, stressing the fact that immature cutting results in weakening of the roots and premature dying out of the stand.

## E. H. Elsner, Director, Has Been Choirmaster for Over 30 Years

Santa Ana has received much of her fame as a music loving community from the groups of singers to be found within the various church choirs.

The large chorus choir of the First Christian church is under the direction of E. H. Elsner, who for over 30 years has been a choir director. His experience has enabled him to choose competent vocalists.

All members of the choir, which is largely composed of young folk, are reputed to have select voices and many of the 50 persons comprising the chorus are instrumentalists as well.

C. A. Lansdowne is president of the choir association; Mrs. Maude Williams, secretary and treasurer, and Mrs. R. S. Briggs, organist.

The Rev. Walter Scott Buchanan, pastor, ever an enthusiastic devotee of music, says of his choir: "It supplies us with music at both services on Sundays. The cantata given here Easter night was greatly enjoyed by an overflowing house and the Sunday services are an inspiration to all who hear the singers."

The Rev. Mr. Buchanan was located in Los Angeles for 10 years. He took up his ministry here following the resignation, in November, of the Rev. F. T. Porter, pastor at that time.

## Most Dental Prices Are Too High

Most dental prices are already too high, and that is the very thing that suggested and made possible the joining of forces with Dr. Clark, Dr. Museus, Dr. Wool and Dr. Mueller, the opening of branch offices—to give better dentistry for less money. The dentist who "charges more" is sure to "work less."

## Fine Sailors; Girl Companion Faces Wild Driver Count

E. V. Olson, 26, and H. L. Westphal, 24, bakers in the U. S. navy, assigned to the U. S. S. Holland, now in San Diego, each received fines of \$25 in the court of Justice Kenneth Morrison this morning, the court action growing out of their arrest yesterday afternoon, by State Traffic officer Cain.

The officer, who reported to the court that the car in which the sailors were riding, and which was driven by Mrs. Irene Hunt Wright, 20, who gave her occupation as dance hall entertainer, crossed the intersection at The Arches at 40 miles an hour and continued on down the road at 60 miles per hour.

Westphal, owner of the car, was charged with permitting his car to be illegally operated while he was a passenger therein and Olson was charged with intoxication. Mrs. Wright, charged with reckless driving, is scheduled to appear before Judge Morrison at 9 a. m., April 24.

Two other girls, also members of the party, were released by juvenile authorities after appearing in court yesterday afternoon.

## FULLERTON SCHOOL OPENS ON JUNE 17

FULLERTON, April 20.—Opening of the annual summer session of the Fullerton union high school was announced today. Students who wish to make up credits may do so during the six weeks session which begins June 17.

The subjects which will be offered and teachers are as follows: English, R. W. Borst; history, civics, economics, E. S. Dysinger; chemistry, algebra, C. A. Worsley; typing, English, stenography, Miss Rivers; geometry, trigonometry, Miss Reynolds; English, Mr. Arnold.

Tuition is reduced from that of other years this year and is \$25 for a full credit and \$15 for a half credit.

## ORCHESTRA OF 80 MEMBERS TO GIVE PROGRAM

FULLERTON, April 20.—An orchestra of 80 members will be presented by H. E. Walberg, director of the Fullerton high school orchestra, at the annual glee club and orchestra concert April 26 in the high school auditorium. Fifty three are members of the high school orchestra and 27 are from the junior college.

The numbers to be presented by the orchestra have popular appeal and are the highest type of music, according to Walberg. Included in the program are two descriptive selections, "In the Clock Shop" and "In a Persian Market." The symphonic power of the group will be tested in "Raymond Overture," by Thomas.

The Girls' Glee club of 50 members dressed in gypsy costume and with special stage setting will present a number of gypsy songs. One of the features will be a gypsy dance by Paulina Swett.

A cowboy scene is being contributed by the Boys' Glee club. In the costumes of the range and around the campfire they will sing, "Roll Along, Cowboy," by Russell, "The Old Chisholm Trail," by Fox and various quartet numbers.

## BANKER UNWILLING HOST TO BEE SWARM

SAN CLEMENTE, April 20.—H. H. Cavin, manager of the San Clemente branch of the Bank of America of California, noted as a good host, is getting tired of his reputation. Unless someone shows up to take 10,000 guests off his hands he is going to lock up his home and go fishing.

Yesterday Cavin awoke, sniffed the air and observed, with the usual morning indifference, two bee scouts buzzing in the patio of his Spanish home. He returned from the bank last night to find that the scouts had reported back to the committee favorably and that a huge swarm of bees had taken up their residence with him.

Cavin gave one look and called out the fire department. Chief Jimmy Bennett responded and after an hour's work the bees were lured into a box and carted away to a far arroyo. Cavin congratulated Bennett and Bennett congratulated Cavin.

This morning the bees were back!

## TUBACH AND COOK IN EXCHANGE HOME

Opening their Real Estate office at 107 West Second street, in the new Builders' Exchange building, Walter S. Tubach and Walter A. Cook today extended an invitation to their friends in Orange county to visit them in their new location. Tubach and Cook both are ranchers and have lived in Orange county for 20 years. They started their real estate activity last month and since then have sold three properties, comprising a total of \$316,000.

"We know what we are selling," Tubach declared, "because we are ranchers and know how to analyze soil."

## GIRL FREED ON PROBATION AFTER SERVING ONE YEAR ON SENTENCE FOR BIGAMY

Pearl Wright Bench, 23, and agreeably pretty, went out into the world today to make good. She is a year older and perhaps a year wiser than she was when she entered the Orange county jail one year ago to serve her time on a charge of bigamy.

One year ago there were tears in her eyes when she left Superior Judge E. J. Marks' court and walked across the street to her cell. Today there were smiles and thankfulness in her face as she heard the court's order. If there were any tears of joy she hid them on her mother's shoulder.

## CHILD AND MAN ARE INJURED IN TWO ACCIDENTS

Beverly Thomas, 11-year-old son of Mr. and Mrs. T. A. Thomas, 1229 West Third street, and Glenn Copeland, 1137 West Pine street, were victims of two traffic accidents in Santa Ana last night and this morning.

A compound fracture of the left leg, a skull injury and severe bruises constituted the injuries suffered by young Thomas, according to Dr. H. G. Huffman, when the car, in which he was riding with Herbert F. Sampson, 15-year-old son of Mr. and Mrs. H. C. Sampson, 1237 West Third street, was wrecked in a traffic accident at the intersection of Parton and Camille streets at 6:45 last night.

The light touring car driven by young Sampson was travelling north on Parton when it was struck by a roadster operated by Antone Giesler, 19, of 715 South Rose, who was driving east on Camille. The force of the collision turned the car in which the boys were riding almost completely around and threw it across the curb. The Thomas boy was thrown from the car and received his injuries when he was caught under the broken rear wheel.

Thomas first was taken to his home, but later removed to the Santa Ana Valley hospital.

Copeland, victim of this morning's accident, was not seriously hurt. His injuries were received when the motorcycle he was riding and a truck, driven by George Petz, came together in a collision at the intersection of First street and Orange avenue.

Copeland was travelling east on First street and Petz was driving west. The collision was the result of an attempt on the part of Copeland to avoid hitting a car driving ahead of Petz' truck which had made a left turn into Orange avenue. It was reported by Petz, the motorcycle skidded, then righted and came on directly in front of the truck.

Copeland's injuries, consisting of cuts about the head, were treated by Dr. Dexter Ball in the Santa Ana Valley hospital.

## Police News

Jess Griffith, 13-year-old Oakland resident, who was committed to the county jail here March 17 on a charge of grand larceny, was surrendered to Oakland probation officers when they called for him yesterday afternoon.

Two 16-year-old girls, who claimed they did not want to return to their homes because of unhappy conditions existing there were picked up on the palisades road yesterday afternoon by State Traffic Officer Frank Vaughn. The girls, who were outfitted in boys' clothing, were on their way to San Diego from Long Beach. The girls were turned over to Orange county juvenile officers, who notified their parents who came for them last night.

The tire-locking rim of a tire on one of the big Santa Ana Commercial company trucks was hurled through the screen and window of the Vincent home, at 417 West First street, last night, when the tire blew out, according to a report filed at police headquarters this morning by W. M. Hunt.

An adding machine, valued at \$65, was taken from the office of the Gilbert-Weston-Stearns company, at 609 East Fourth street, Thursday night, according to a

report made at police headquarters yesterday. Entrance to the building was gained by breaking the lock on a window with a heavy bar.

Two men obtained their release from the county jail yesterday by paying fines. Roy Soto had only \$10 to pay after laying out half the fine assessed against him on a drunk charge. T. I. Harper, who

has been rebooked at the jail twice in the last few days, finally won freedom yesterday afternoon when a fine of \$30, levied on a speeding charge, was paid.

Deputies Steward, Fuller and Scudder had Tom Brunker, 23, truck driver, who claims Pasadena as his home, booked in the jail last night for investigation.

## FIRE ENGINE IS INSPECTED BY CITY OFFICIALS

City Councilmen, F. L. Purinton, Stanley Goode, J. L. McBride and W. J. Kelly, City Manager W. G. Knox and Fire Chief John Luxembourger devoted most of yesterday to inspection of fire fighting equipment handled by the American-LaFrance and Foamite corporation, Los Angeles.

The city is in the market for a pumper engine, to be installed in the new fire hall to be erected on North Sycamore street, and city officials are making investigations of various types of pumps.

Investigation revealed that the corporation's branch in Los Angeles carries not only a large stock of parts, but that it maintains a

record of the assembly of each individual machine placed in service. The city is figuring on a pumper with capacity for throwing 600 inches of water a minute and the group drove to San Fernando in the afternoon to inspect one of the latest products of the corporation with the capacity wanted by Santa Ana.

Fox equipment already has been inspected and the officials later will investigate the Seagrave pumping equipment.

## Spanish Dinner For Legionnaires

SAN CLEMENTE, April 20.—When members of the county council of the American Legion meet in San Clemente May 10 they will be entertained by the San Clemente post with a Spanish dinner. This was the announcement today of Virgil Westbrook, commander, who says that he will appoint a committee at the next session of the local post to prepare for the council gathering.

The dinner will be held in the San Clemente Social club.

## VACATION TIME FOR S. A. POLICE IS ANNOUNCED

Vacations were fixed for 24 members of the Santa Ana police force yesterday afternoon on a schedule that extends from May to October 31.

Members of the force who have been in the service of the city for a period of one year or over are given a 15-day vacation on pay. Under the schedule, yesterday, at a meeting of the entire force, two officers will be released at a time until the entire round of eligibles has been completed.

The schedule is as follows: Lutz and Adams, May 1 to 15; Roehm and Hartsberger, May 17 to 31; Murray and Neuschwanger, June 1 to 15; A. T. Holmes and Bond, June 16 to 30; Elliott and Sherwood, July 1 to 15; H. E. Holmes and Nelson, July 17 to 31; Wolfel and Barnard, August 1 to 15; Swain and Perry, August 17 to 31; Dean and Foster, September 1 to 15; Wolford and Fink, September 16 to 30; Cozad and Flower, October 1 to 15; Prichard and Nelson, October 17 to 31.

Vacation periods for the heads of the department and motorcycle officers will be arranged separately.

## CHARITY BALL PLAN REVEALED BY 40 AND 8

Plans for election of "Miss Orange County," who will be crowned on the final night of the Anaheim Valencia Orange show, were revealed today in connection with the announcement of an Orange county charity ball, to be held in the American Legion hall, in Orange, on June 2.

The "Miss Orange County" contest and charity ball were announced by R. H. McCalla, chief of this organization is sponsoring child welfare and Boy Scout activities in this section. The contest is not to be construed as a popularity, beauty or "queen" affair, McCalla's announcement stated. Any woman or girl, married or single, is eligible to participate in the contest, McCalla said. An automobile will be given to the successful candidate, with two diamond rings and a diamond studded wrist watch as other prizes. The woman or girl elected will be the honored guest at the Orange County Charity ball, on June 3.

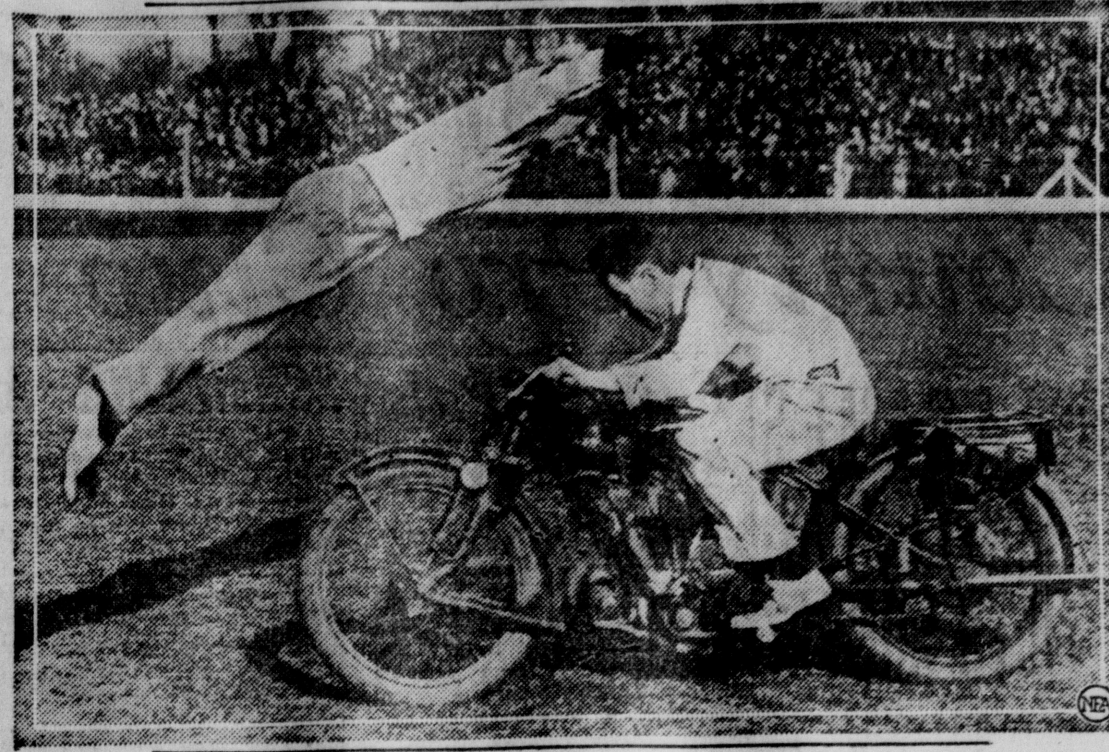

## REV. HARRY OWINGS HEARD BY KNIGHTS

The Rev. Harry Evan Owings, pastor of the First Baptist church, yesterday addressed members of the Knights of the Round Table at luncheon at St. Ann's Inn. His subject, "Letting Yourself Go," was of intense interest.

Clyde Downing, program chairman of the day, procured the Rev. Mr. Owings as speaker and also was responsible for providing the delightful musical selections which were played by four of the city's most prominent violinists, Elwood Bear, Miss Georgia Belle Walton, Miss Emmaline Richards and Marion Nau.

## TRY THIS WHEN CROSSING STREETS HERE

The trouble is, most pedestrians just aren't quick enough. But it's so silly to get all muddled up under wheels and go home on a stretcher when, with only a little practice, you could learn to outwit the most zealous hit-and-run driver. Pictured above are the Newman brothers, crack gymnasts, as they used a motorcycle to show a crowd of pedestrians in London just how easy it is to avoid having to collect on their accident insurance policies. One simply leaps high into the air and the on-rushing vehicle passes harmlessly underneath.

## STREET PLAN SUGGESTED TO LAGUNA BOARD

LAGUNA BEACH, April 20.—Stressing the need for street improvements in Laguna Beach, Frank Gowan submitted a letter at the last meeting of the city council outlining his views. Gowan suggested the formation of an assessment district of the entire city to provide for the grading of streets and their improvement. His letter was read and filed.

His letter follows:

"Gentlemen:—The time has arrived when some action by the city council, the people of Laguna Beach, or both, comes necessary to bring about some improvement and development of our street system.

"Much has been written, spoken and published pro and con, on different plans of procedure to accomplish this result, and I now desire to express my views on this important subject and present herewith a plan to you for your earnest consideration.

"My plan for the improvement of the street system would be to form an assessment district of the entire city, (excluding therefrom those portions which already have been permanently improved or to be improved by proceedings under way, and also all those odds and ends often referred to, where there is not a proper junction of streets in one subdivision with those of another, where condemnation proceedings might be necessary) for the grading of streets within this area and the application of an oil coating of sufficient thickness to prevent the storm surface waters from eroding the roadway, and the construction of only necessary storm drains.

"This plan would accomplish the following results:

"First—Make easily passable the long neglected streets of Laguna Beach.

"Second—Provide the people along the streets with a visible grade enabling them to plan intelligently in locating buildings, driveways, walks and the planting of trees, etc.

"Third—Establish centerlines and grades and provide data from which the city engineer could construct a

## BEACH MASONS IN PLANS FOR SCHOOLS WEEK

SEAL BEACH, April 20.—School week in Seal Beach will be observed by a program in the school auditorium April 24, under the direction of the Masonic lodge of Seal Beach.

As an introduction, the Scot band of Long Beach will render several selections at the corner of Main and Central avenues at 7:15 o'clock and again at 7:30 o'clock in the school building. The program of the evening will be opened by the Scot chanters.

A musical play in two acts, featuring the Seal Beach grammar school harmonica band, will be given entitled, "The Inspiration."

Following the play the Scot chanters will give another selection and Dr. L. L. Sheffer, senior grand warden of the grand lodge of Masons of Wyoming will deliver an address on "Public Schools."

The Scot chanters will close the program and the audience will visit the exhibits in the various class rooms.

The cast of characters in the play

topographic map when he considers that necessary.

"For a rough estimate of the cost of this improvement I would refer you to the city engineer's letter to the city council, dated January 16, 1929, in which he estimated the work covered in this proposal and in addition rock surfacing and the essential portions of a sewer system, at a cost of \$235,000.00.

"Excluding the sewer system and the rock surfacing from his estimate for that proposed improvement and you would probably arrive at a sum of about \$100,000 for the improvement herein proposed.

"Yours respectfully,

"FRANK GOWAN."

## OUT OF THE PAST

Along about the time this photograph was taken, slight whispers began to come from Atlanta, Ga., that the Georgia city boasted of a young man, still in his teens, who some day would make golfers sit up and take notice.

And so it came to pass. Bobby Jones was 14 years old when this was taken, and with Perry Adair, then 18, had just beaten Chick Evans, national amateur champion, and Ned Sawyer, western champion, in a match game at Bobby's home course in Atlanta.

Jones, without doubt, is the greatest golfer in the game today. Adair, however, has not kept pace with him, but has been an important figure in southern golf for many years.

## LAUGHS FROM THE DIAMOND

by Billy Evans

Moe Berg, catcher of the Chicago White Sox, is baseball's most educated player. He is a graduate of Princeton, has taken post graduate work at Columbia and has so many degrees he needs an auditor to keep track of them. He speaks eight languages, including baseball.

The story is that with a certain American league umpire calling balls and strikes, Berg does all his arguing in French. It seems this umpire once gave the gate to Berg because he didn't like the things Moe said about him in plain English. That made Berg decide he should make use of his education, and now he saves far worse things about the umpire in French than the latter doesn't know anything about it.

A newspaper writer in Washington once used a feature story on Berg in which his intelligence, off the ball field formed the basis for the story. And from that statement didn't get the impression that Berg isn't equally smart on the field. The story went on to say that Berg after getting an A. B. degree at Princeton, several more followed by a couple of years study abroad.

Now it seems the ordinary batters always hit in the toughest sort of luck. The batsman who usually sports a .250 average seems to have twice as many line drives caught on him as the .300 hitter. Perhaps that accounts for the difference in the averages.

Earl McNeely, then with Washington, is one of those batters who always seems to have more than his share of hard luck. Berg, now a catcher, was playing second base in the game I have in mind. On McNeely's first three trips to the plate, Berg had played the villain role of retiring him. Twice he made seemingly impossible stops of ground balls, getting his man at first, while on the other occasion he went deep into right field for a sensational catch of a "Texas leaguer." It is easy to imagine how McNeely felt about it.

However, on his final trip to the plate, when Berg leaped high and made a gloved hand catch of a line drive, McNeely exploded and in such a way that he gave every one within hearing a real laugh:

"Say, Berg, have you ever thought of attending summer school?" yelled McNeely.

## DIVING CHAMPS TO APPEAR AT SAN CLEMENTE

SAN CLEMENTE, April 20.—Three of the world's greatest divers will appear in exhibitions at the San Clemente Beach club pool tomorrow as the feature attraction of the dual meet between Spanish Village stars and women swimmers of the Silvergate Swimming club of San Diego.

Frank Holbrook, coach of the San Clemente team, got in touch with Los Angeles Athletic club officials when the three stars, Georgia Coleman, Mickey Riley and "Dutch" Smith arrived in the movie city Friday and was informed they would make their first appearance at San Clemente Sunday since winning national honors in the East.

Riley is a four-time national champion. He holds titles in the three-foot board, high dive and indoor and outdoor ten-foot diving class.

Georgia Coleman, America's greatest girl diver, is national 10-foot diving champion and also holds national honors in the high fancy diving event. Smith is a holder of national three-foot board diving titles and was second in the ten-foot and three-foot events just completed in the East.

ONE-FOURTH STRONGER Joe Judge, first baseman, thinks the Washington Senators are 35 per cent stronger this year than they were last year.

## County Pro Club Plays In Bad Luck

### LOSE 4 GAMES BY SINGLE RUN; 2 TILTS SUNDAY

| CALIFORNIA STATE LEAGUE | W. | L. | Pct. |
|-------------------------|----|----|------|
| San Diego               | 6  | 3  | .667 |

| Bakersfield             | 5  | 4  | .556 |
| Orange County           | 2  | 7  | .222 |

Orange County's entry in the new California State baseball league is playing in hard luck. Jess Orndorff's flock is deeply entrenched in the cellar of the professional circuit but the boys are playing a better brand of ball than their modest showing would indicate. They have lost seven games in rapid succession yet four of those defeats were by the margin of a single run, and two of the other three were close.

What the Countians need more than anything else is added pitching strength, at least two deivers who can start and finish a game. They had lost three in a row to San Agnes' San Diego Aces at the Orange County Fair grounds up until today and in every instance they spotted the visitors to three or more runs in the first three innings. Relief pitchers have performed creditably but a winning club doesn't have to call on relief pitchers every day.

Orndorff also could stand an outfielder that can drive in runs with his greatest need at present is pitching. The County's infield is alert, active quartet especially around second base where Kuzma and Kostell have been turning in fancy fielding plays daily.

San Diego made it three straight yesterday. The score was 5 to 4 and as usual the Aces got their quick start in the first four innings. The Countians struggled vainly to overcome the spot in the last innings. They nearly succeeded, at that, for they were getting to Pitcher Brown with a vengeance but Kelly, in left field, came up with a spectacular catch in the ninth when the County had its tiny run on base and broke up the rally.

San Diego and Orange County clinch in two games at the grounds tomorrow and officials expect both teams will pick up. The first one will begin at 2 o'clock. So far baseball fans have shown a total indifference to what has been going on at the Fair park. Not more than 50 cash customers passed through the turnstiles yesterday.

### Joe Stecher Wins From Kotsonaros

SALT LAKE CITY, Utah, April 20.—Joe Stecher, former heavyweight wrestling champion, defeated George Kotsonaros of Hollywood last night, securing one fall in one hour and four minutes. After the two wrestlers had returned to the mat for the second fall, Kotsonaros was injured to the extent that he was unable to continue and the match was awarded Stecher.

### J. I. DECKER

Rogers Hornsby and Kiki Cuyler, celebrated batsmen of the National league, agree that George Uhle is one of the smartest pitchers they ever faced, according to H. G. Salinger, the Detroit scribe.

Nether Hornsby nor Cuyler are in the same league with the Mule but they saw quite a lot of him during the exhibition series between the Cubs and the Tigers.

The two Cub stars said that Uhle never gives them the same ball twice, and he throws them all differently and that he works on every batter. "Even with two and

### Tunney Pals Around With Author Shaw

BRIONI, Italy, April 20.—The long-awaited meeting between Gene Tunney, retired heavyweight champion, and George Bernard Shaw, developed into a warm friendship, it was revealed here today.

Both celebrities, who but a few years ago carried on a heated controversy through the press of two continents over the merits of Shaw's "Changeling Profession," were on the chummiest of terms all yesterday.

They took leisurely walks along the roads of the island, took a drive together and visited the Roman ruins, exchanging views on literature meanwhile.

Tunney said he would like to correct published reports that he had struck photographers at Cannes, branding the reports as false.

### EXCELSIOR NOW BIG THREAT IN ORANGE LEAGUE

Excelsior high school, a little cross roads institution to where the boys and girls of surrounding farm lands travel by bus to obtain a. education, today was the Orange league's big threat to end the long reign of Fullerton as baseball champion.

The Excelsior nine, long a door-mat for other clubs of the circuit, yesterday, "Big Bill" Cole's Tustin Farmers, 5 to 0, at Excelsior yesterday and tied with Fullerton for first place.

Pratt and Cooper pitched and the Farmers fielded strongly enough to win most any game but they didn't have a chance to win against the kind of pitching Excelsior got from Everly, who limited Cole's brood to three singles, and only after the second inning.

The battle May 3 between Fullerton, which beat Anaheim 13 to 0 yesterday, and Excelsior will be watched with interest. It should be a great pitching battle between Everly and Henus, the Fullerton veteran who stopped Anaheim with three bingles.

In other league games, Huntington Beach defeated Orange, 3 to 1, and Garden Grove nosed out Brea-Olinda, 8 to 7, in a ninth inning rally.

Max Schmeling, German heavyweight who, some experts say, will be the next heavyweight champion of the world, was a recent visitor to Washington to see Baron Von Prittwitz, German ambassador. There Herr Maxie posed for the photographers and this photograph gives you an idea of how Herr Maxie looks in civilian clothes. The resemblance to Jack Dempsey is easily noticed.

### TWELVE SAINT TRACKMEN TO GET LETTERS; ALL BACK BUT CONE, DONAHUE, SCHOENBERG

As the outstanding members of the Santa Ana high school track team participated in the Southern California track and field preliminaries at the Coliseum in Los Angeles this afternoon, they had the thrill of being named on the list of twelve to receive monograms for their track efforts. All those in the sectional meet will receive the rewards and several others as well, it was revealed today by "Tex" Oliver, track mentor and Tommy Cone, captain and crack half-miler.

The letters this season were given for placing in the league meet or winning a sufficient number of points in dual meets.

First on the list is Captain Cone, three-year letterman. Cone ran the mile in his sophomore days but changed to the 880 event last year. He will receive an Aerial sweater for three years of service. The other seniors on the team to receive their block SA will be Tom Donahue, miler, and Carl Schoenberg, half-miler.

To bolster the team next year, Al Rebohn, Norman Paul, Jim Danerl, Paul Jacques, Lawrence Stiles and Doyle Gilbert will return. Walter Wilson will return as manager, the other two letters going to Carl Zirinsky, Class B, and Leonard Lockhart, Class C.

Rebohn and Paul were the sensations of the league this year and were expected to place heavily this

afternoon. Rebohn is rated as the fastest high and low hurdler in Southern California. Norman Paul has the best broad jump mark of all the prep with 22 feet, 5 inches. He also puts the shot over 47 feet, runs the sprints, low hurdles and relay.

Donahue has negotiated the mile close to 4:40. He placed a close second in the league meet, Schoenberg did not finish in the money at Pasadena but has piled up many points in dual meets. Danerl didn't account for any points in the league fracas but earned a trip to the trials today and is a strong 440 and discus man. He has two more years of competition. Stiles and Gilbert both placed in the pole vault and broad jump respectively and are both juniors. Jacques jumped his best, 5 feet 9 inches to place in the high jump. He is only a sophomore.

Zirinsky got two fourth places in the hurdle events and Lockhart placed in the pole vault in the Class B and C meets, respectively.

Whittier netmen win from saints

By the narrow margin of one point, the Whittier high tennis team downed Santa Ana high school here yesterday in a Coast Preparatory league match, 9 to 8.

With the score 8 to 6 and one match yet to play, either Gundrum of Santa Ana or Demarest of Whittier could have won the match. This second singles tussle was the hardest of the day and it was only after a succession of "duces" that the Whittier man won, 7-5, 2-6, 6-4.

Locals to earn victories were H. C. Rutledge in fourth singles, beating Vaughan, 2-6, 6-0, 7-5; Oglesby and Doleman in first doubles trouncing Woodward and Ashton, 9-7, 6-4; and Herren and Lindley defeating Edmonston and Sanders, 6-0, 6-0 in second doubles. The other matches resulted in Slaback losing to Garman in first singles, 6-1, 6-2; and Cartmuths dropping 6-3, 6-3 to Crawford.

TWO NO-HIT GAMES Johnny Prudhomme, rookie with Detroit, hurled a no-hit game in 1927 and another in 1928 while with the Toronto Internationals.

### Stanford In Aim For Big Meet Record

PALO ALTO, April 20.—From the Stanford viewpoint there were just two major points of interest in today's track meet here with its hereditary athletic rival, the University of California.

First, will this year's produce of the farm and "Dink" Templeton's coaching show the class for another national championship this year?

Second, how big will be the score and will Stanford wipe out the never-forgotten defeat of 1923, when California won by 91 to 35 in the first dual meet of the two institutions?

Stanford came close last year, scoring 90-1-2 points, and closer the year before, with 90-2-3 points.

### 'CHICK' HAFEY FINDS GLASSES AND SWAT EYE

By FRANK GETTY (United Press Sports Editor)

NEW YORK, April 20.—The conclusion of the opening series of major league baseball this season finds the fans' hats off to "Chick" Hafey of the St. Louis Cardinals, a player beset by hard luck since first he broke into fast company.

For a time it seemed as though sinus trouble and other handicaps might force Hafey out of the National league and possibly cause him to give up baseball altogether.

"Chick" couldn't see the length of his bat for a time. Now he is out in front of the home run parade, with a fine start towards seasonal honors, and every fan who has followed his ups and downs rooting hard for him.

Hits Longest Homer Hafey hit two home runs yesterday, to help the Cardinals to beat the Cincinnati Reds. His first drive cleared the scoreboard at Redland park which is 415 feet from home plate and 25 feet high.

This was the longest blow ever made in Cincinnati. A little later, Hafey drove another homer over the left field fence.

In the opening game of the season "Chick" hit a homer off "Red" Lucas, who had been working effectively, enabling the Cardinals to start the pennant race with a victory.

The chances are that if this continues, Hafey's optician will start advertising for "Chick" took to glasses as a last resort and with pronounced success.

"Cheaters" Prove Handicap Few ball players have made good behind spectacles in fast company. There was Les Meadors, for one, and the rest can be counted on the fingers of one hand.

When he finally decided to resort to glasses, "Chick" confessed that it seemed to him a last resort.

"I'll try them for a season, and then if I can't make good I'll get out and admit I'm licked," he said early this year.

Hafey has had hard luck ever since he came up to the majors, although he has been recognized as one of the best outfielders in the game. He is a native of Berkeley, Calif., Helen Willis' home town, and is 26 years old.

## GYM GIRLS TO GIVE PROGRAM ON WEDNESDAY

To demonstrate work done in the girls' physical education department of Santa Ana high school and junior college, Coaches Alverda West, Zeno Lock and Ellen Foote will present an exhibition for the public next Wednesday at 2:30 p. m. in Andrews Gymnasium.

Miss West's third period gym class will give a marching drill to open the program. This will be followed by characteristic folk dances from Denmark, Sweden, Holland and Russia, offered by Miss West's fourth period sophomore class.

A junior college class under Mrs. Foote will demonstrate apparatus work and Danish gymnastics. Also of an exciting nature will be the relay races by Miss Lock's first period sophomore class. The races will be of various kinds, including torch bearers, snake, man, monkey-crab, twisting, back to back and obstacle.

Clog dancing, as learned in Mrs. Foote's classes, will be shown by four dances, Liza Jane, Swanee, Irish waltz clog and There Was An Old Man. The last of the dancing will feature Miss Lock's high school and junior college natural dancing classes in seven roles. Those to be given are Greetings by Schubert, Charlots by Ruth Garland, Shadows by Elizabeth Fogar, Waltz Study by Schubert, Spring Time in Hellas by Delibes (given by "Chorea" Club), Tournament by Gayrhas, and Giga by Corelli.

Advanced swimming strokes by the life saving and diving classes of Mrs. Foote will close the program. These acts will be given in the pool.

**FRANK BUSH KILLED**

## GUYER, BEATTY IN J. C.-FROSH CLASH

Captain Maurice ("Red") Guyer and Blanchard Beatty of Santa Ana competed with other track stars of the Southern California Junior College conference against the U. S. C. freshmen at Compton this morning.

Guyer was expected to figure heavily in the sprints and beatty, although not doped to win, was expected to place in the javelin.

Guyer, Beatty, Joe Warner and Kentch Tanaka will represent the Dons in the Fresno Relay carnival next Saturday. They will compete in the open 880-yard relay.

### COACHES OWN SON

Major Frank W. Cavanaugh, Fordham football coach, will have his own son, Dave, as a sophomore candidate for his eleven next fall.

tor about Hornsby and his influence on a ball club. And his opinion was very positive and expressed very positively.

"That fellow will break up any ball club he ever plays with," Hendricks said.

Since they some players of the St. Louis, New York and Boston

clubs, with whom Hornsby has played, have been quoted as saying that Hornsby will not be of benefit to the Cubs unless he has changed.

**MAY HAVE BEEN THIS**  
Apparently he has changed. The

Chicago correspondents who followed the ball club through the training season say he has changed. At least in one way. He is no longer a "loner" and he fraternizes with the other ball players. He even threw a big feed for some of the players and the writers. That

ought to be worth the front page. But those who know him insist that it wasn't a gesture because he is too independent of the opinions of others. Perhaps the players on the other clubs he played with forced him to go it alone and that he has found

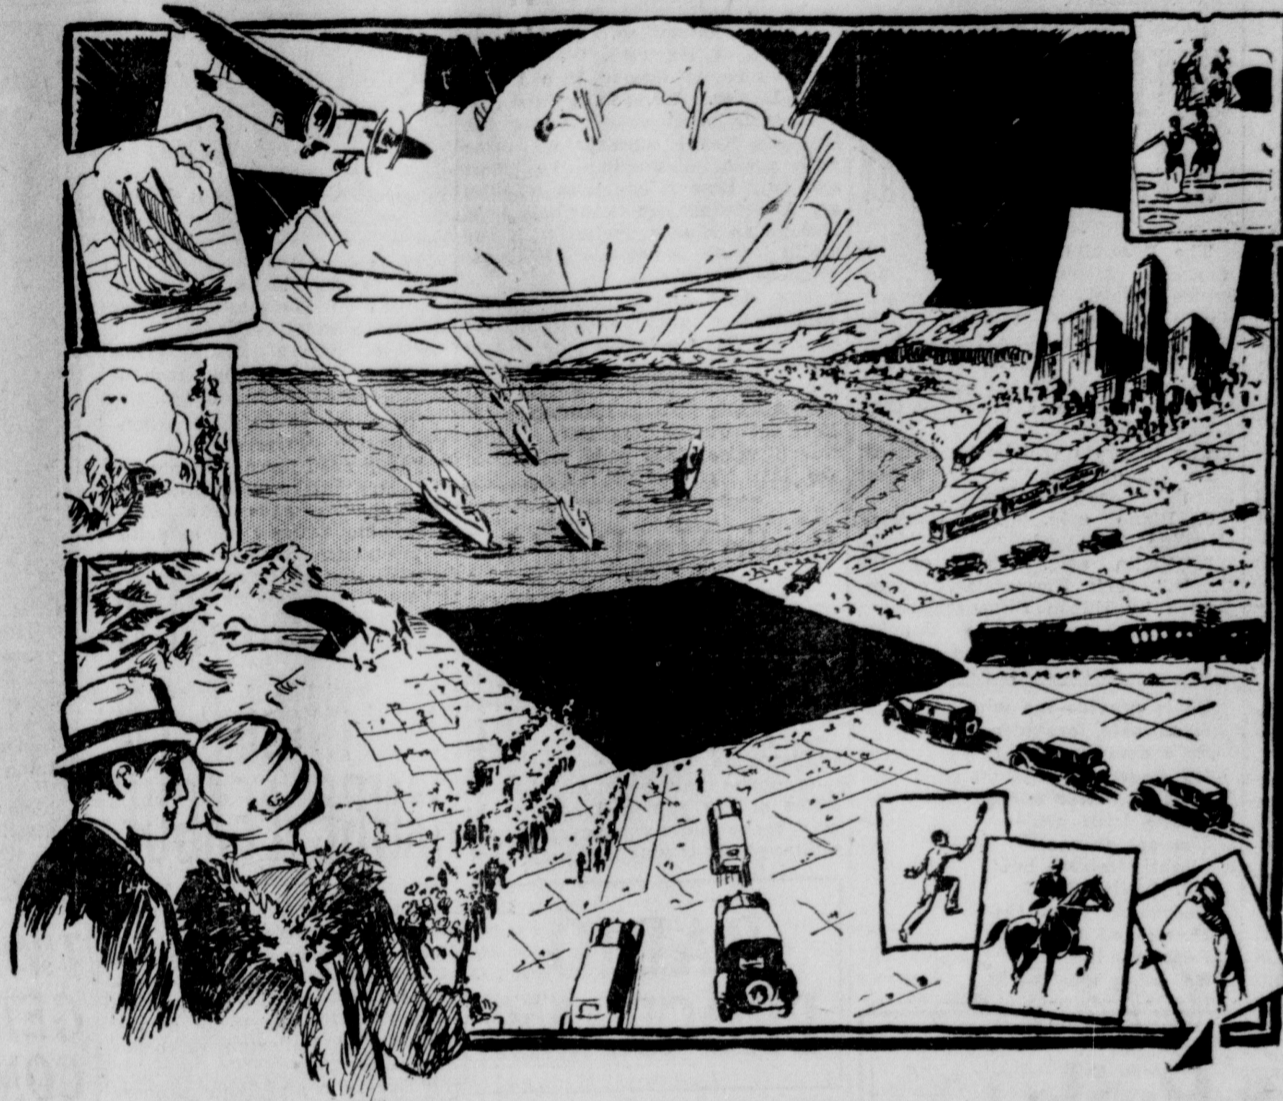

some players on the Chicago club who are willing to mix with him socially.

## Seven Renowned Numbers On G. E. Program Tonight

Directed by Walter Damrosch, the National orchestra will offer seven renowned compositions during the General Electric hour, broadcast through a coast-to-coast network of NBC system stations, including KFI, tonight from 6 to 7 o'clock, Pacific standard time.

Beginning with the familiar descriptive Rossini overture to "William Tell," the program will include the second movement of Saint-Saens' "Symphony No. 3," Sibelius' majestic musical tone-poem of his native land, "Finlandia," and lighter works of Schumann, Mendelssohn, Dvorak and Waldteufel.

## JUVENILE HOUR ON S. A. STATION TODAY

The Dreamland Lady will bring a group of pupils from St. Joseph's school before the microphone of KWTG tonight in the weekly juvenile hour featured by the Santa Ana station on Saturday nights. The program will start at 6:30 and continue until 7:30.

The program will be as follows:

1. Piano solo, "After School March," Constance Brown.
2. Piano solo, "The Cuckoo," Caroline Borchard.
3. Violin solo, "Song of the Orpheus," Jack Fitzpatrick, accompanied by Eileen Fitzpatrick.
4. Piano solo, "The Dancing Lesson," Wilma Borchard.

## THREE ARTISTS ON KENT HOUR TONIGHT

Lawrence, Mass. Marietta, O., and Buffalo, N. Y.—three typical American towns—provide artists of international reputation who will be heard in the Atwater Kent Radio hour at 6:15, coast time, tomorrow night, over the NBC chain and KFI.

Clara Jacobo, soprano star of the Metropolitan Opera company, although a native of Italy, came to America when she was three years of age and grew up in Lawrence, where she worked in the mill as a young girl. She made her first operatic and concert triumph in her native country.

Francis Macmillen, violinist, is a native of Marietta, O., the old home town of former Vice President Dawes. He, too, gained his first triumph abroad—winning the Brussels Royal conservatory prize with great distinction—the first and only time it has been won by an American. He was hailed in Europe as a new genius with the violin and America's foremost virtuoso.

The third artist, another prize winner, is Kenneth Hines, the 22-year-old Buffalo tenor, who gained national distinction last December as runner up in the finals of the Atwater Kent foundation in National Radio audition. Hines was likewise state prize winner in the 1927 National Radio audition.

## Radio Has Double Service In School

RACINE, Wis., April 20.—A radio receiving system that serves a dual purpose has been installed in a Racine school. Aside from making broadcast programs available in each school-room, a microphone has been installed in office of the principal so that he may make his announcements simultaneously throughout the school.

## PYTHIANS NAME COMMITTEE FOR ENTERTAINING

Responding to the call of Supreme Chancellor Alva M. Lumpkin made in a recent bulletin asking for an increase of 100,000 in the membership of the Pythian order in 1929, the local lodge, Knights of Pythias, has announced a program seeking to supply its quota of new members, and plans are under way for the initiation of a class in May and another about Thanksgiving time. The announcement was made following a recent conference of officers of the lodge and members of the entertainment committee. The local program has two major objectives. Besides an increase in membership there will be an extended social program for spring and summer and a big social diversity for early fall.

"The two-fold activity of the lodge is in response to a definite plan set out by the supreme lodge," explained Chancellor Commander Joseph A. Gajek, "Under stress of supreme legislation, the subordinate lodge entertainment committee has full charge of all social function. There has been a general belief that the lack of interest in fraternal work is caused by failure of the lodge to provide such features. It will be the purpose of the local committee to work with our membership committee and provide a larger variety of entertainments than we have had heretofore."

"In a recent communication issue by the supreme chancellor, he not only asks for a net increase of members, but he also urges that the lodge change its plan of activity and devote more time and money to entertainment. Our committee will arrange for at least one big social meeting before summer and we have under way plans for an all-day basket dinner picnic during the summer."

The social and entertainment committee is composed of Charles Weber, John W. Estes, Ray L. Stauffer and Fred Hunter. This committee will be assisted by a committee of wives and daughters of members, who will aid in making these social functions of great value and interest to the whole Pythian family.

The good health of the membership was stressed by Ray N. Bullock, keeper of records and seal, who announced that special emphasis was now being made in a direction of the insurance department. He announced that many thousands of members had taken advantage of the free health service made possible last year through appropriation by the supreme lodge to cover cost. He announced that information and containers necessary in conducting the health test could be obtained by writing the insurance department at Indianapolis, Indiana.

## R. N. A. ELECTS SANTA ANA AS DISTRICT HEAD

Many members of Santa Ana lodge, Royal Neighbors of America, motored to Long Beach Thursday to take part in the district convention of the order, held in the Municipal auditorium of the beach city and attracting Neighbors from all sections of the Southland.

Accompanying the Santa Ana delegates and guests, were members of the drill team, who participated in the evening ceremonies and won warm commendation for the complicated maneuvers presented under the captaincy of Mrs. Floyd Knight, past oracle of the lodge, who was accorded the high

honor of election to the post of district president, at the business meeting in the afternoon hours. Mrs. Knight served the local chapter as oracle for three successive years, and has occupied the important office of vice president for the district during the past year. Elected to the vice presidency to succeed her, was Mrs. Mamie Kitchner of Culver City, who will be next year's president.

The drill team directed by Mrs. Knight, made a splendid appearance, as the members had donned colonial costumes for the event in commemoration of the anniversary of the famous "Ride of Paul Revere," which took place on April 13. Sixteen of the members were stately colonial dames, while one, Miss Trena Johnson, appeared as the Father of His Country. The team is composed of Mrs. Knight, Miss Johnson, Mesdames Maxie Wilson, Bess Simmons, Leona

## EASTERN STAR DEPUTY MATRON VISITS HERMOSA

When members of Hermosa chapter, O. E. S., gathered in the Masonic temple Monday night to welcome their deputy grand matron, Mrs. Martha Shinn of Norwalk on her official visit, they found a scene of beauty in the chapter room, where Mrs. Joseph P. Smith and her decorating committee had used baskets of spirea and genesta fragrens in harmonious effect.

A great armful of pink tulips had been provided as a special greeting to Mrs. Shinn, and she carried them as she was escorted to her place of honor on the platform. The entire ritualistic work of the order was exemplified for her, including initiation of candidates, and she was warm in her praise for the accuracy and skill with which Mrs. Charles Mitchell, worthy matron, Alvin Nowotney, worthy patron, and their official family, presented the work.

A feature of the evening which was enjoyed by everyone and especially by Mrs. Shinn, was the presentation to her of the chapter's gift of a dozen solid silver salad forks which completed the set of

Jones, Tillie Manderscheid, Noma Manderscheid, Mildred Peddy, Daisy Scott, Elva Crawford, Mary Stovall, Alma Knowlton, Myrtle Underwood, Anna Conrad, Marie Trusty, Winifred Sophia, and Jean Tibbetts, with Mrs. Italy Lee as pianist.

Special honors during the day were accorded Mrs. Christiana Hamill of Los Angeles, state supervising deputy; Mrs. Leona Holland of Rock Island, Ill., supreme vice oracle, and Mrs. Mary Chadwick of San Diego, state oracle. During the escort duty when they were directed to seats of honor in the auditorium, the Long Beach Municipal band rendered a fine program, and later led in the parade of the city in which all delegates and visitors took part, led by eight of the hostess lodge members of purple and white.

It was estimated that nearly 700 were present for the school of instruction which occupied the afternoon hours. This crowd was augmented considerably for the evening session when the special drills were presented by visiting degree staffs, including the famous "Ever Ready" staff of picked members from all over the district, who stand ready at a moment's notice to fill any part in the ritualistic work.

This closing session followed a dinner at which the visiting officers were complimented, and an hour of merriment on the amusement Pike whose concessions were all thrown open to the guests. Culver City will be the scene of the 1930 convention, according to decision reached at the final session.

silver presented her during her official year, by the ten chapters of the district. Mrs. Mitchell, presenting the silver on behalf of her chapter, also gave Mrs. Shinn her personal gift of a cold meat fork in the same pattern, and a cheese knife to match, which had been selected by Mrs. Harvey Trueblood prior to her departure for a trip to Honolulu in company with Mrs. George Saffley.

Mrs. Shinn's gracious personality which has gone so far to make her year as district deputy matron, a success, was apparent in the charming talk she made in appreciation of the gifts, and during which she commended Hermosa on the excellent work of its degree staff.

The evening closed with a social hour in the banquet room where Mrs. Smith's artistic ability found expression in rosy garlands festooned from the ceiling, many rose pink blossoms in crystal baskets, and candles in the same pretty tones. Creamed chicken on hot biscuits, delectable cake and coffee were served by Mrs. Charles Cogan and her supper committee, to the 175 or more Hermosa members and guests from other jurisdictions.

EXAMINATION BY PRESENTING THIS ADVERTISEMENT AT ANY OF THE OFFICES OF MARTYN X-RAY CHIROPRACTORS within the next seven days you will receive a thorough X-ray examination and a report on your condition absolutely free of charge or obligation. Examination also includes blood pressure, urinalysis, nerve tracing, etc., as the case may require. There is no catch to the above offer in any way. This service is positively FREE. NOW IS THE TIME TO LEARN THE FACTS. YOUR HEALTH HAS BEEN A MATTER OF GROWING CONCERN TO YOU lately. You have tried this and that with little or no results. Why not stop the uncertainty and find the exact cause of your trouble before wasting more time and money? HERE IS YOUR CHANCE TO BE EXAMINED IN ONE OF THE FINEST AND BEST EQUIPPED CHIROPRACTIC OFFICES in the world by doctors who are conducting the largest private practice in the west. Merely present this advertisement at any of the offices of Martyn X-Ray Chiropractors within the next seven days and receive this X-ray examination and a report on your condition. This will show what must be done if your health is to be restored, and will eliminate guesswork to the fullest extent. It will be conclusive proof as to the cause of your condition that you can see with your own eyes and you would no more think of adjusting a patient without first X-raying to locate the cause of trouble than a carpenter would think of building a house without a rule. If you are not well and wish to learn the real facts of your case, take advantage of this offer. CLIP THIS AD NOW!
